## OBJECTIVES OF ACiNE 2021

To provide a foundation for nursing students, nursing lecturers, nursing leaders, and health care providers from different cultures and backgrounds to share their experiences, best practice applications and recommendations for nursing education and health care policy to improve quality of nursing care for humanized health from diverse cultures in 21<sup>st</sup> Century.

To provide great opportunity for nursing students, nursing researchers, nursing educators, clinical nurses, nursing administrators, nursing leaders, and nursing managers in ASEAN countries and developed countries to establish a sustainable international network for promoting collaboration in the study of nursing education, practice, and management. Furthermore, we have invited renowned professors in the field to be the keynote speakers.

## HYBRID CONFERENCE

Because of SARS-CoV2 Pandemic, our conference is re-scheduled and will take place in May 2021 with the addition of an all-new virtual online component using Zoom Webinars Platform.

Now a hybrid conference, ACiNE 2021 will still include live, in-person programming at the Hong Bang International University in Ho Chi Minh City, Vietnam.
